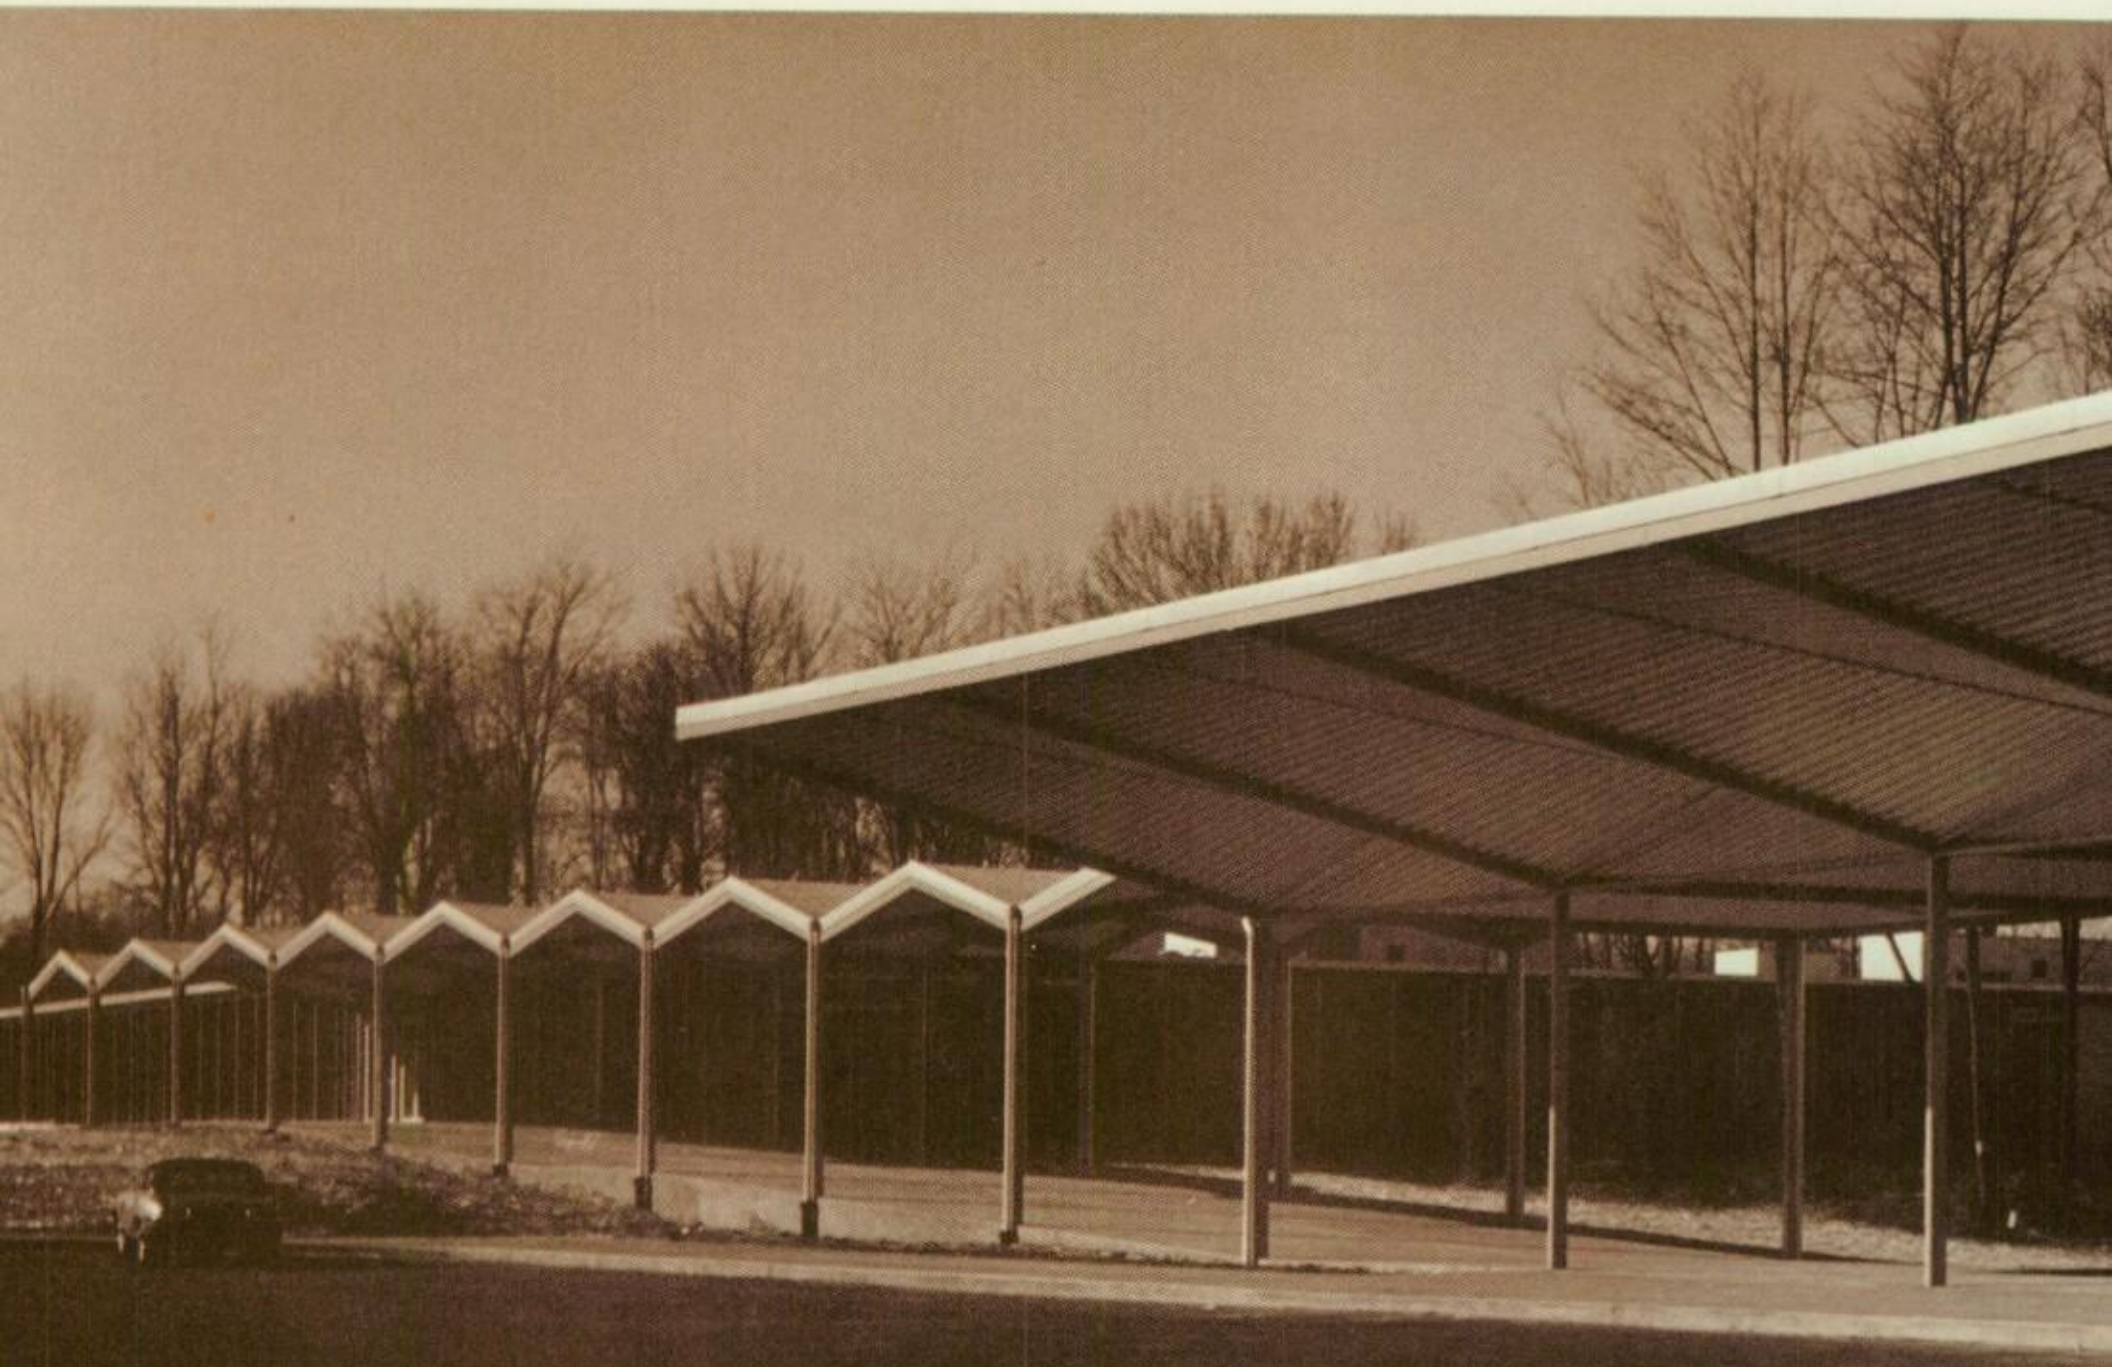
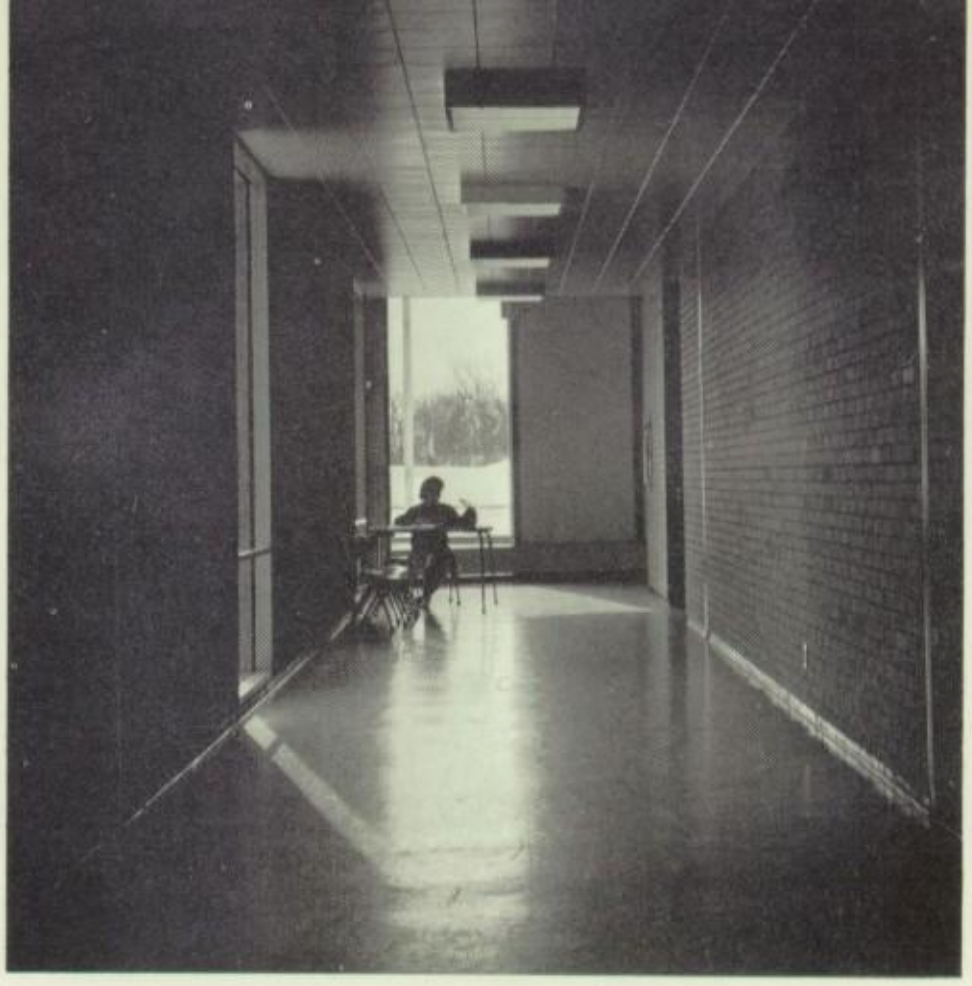
LEGEND

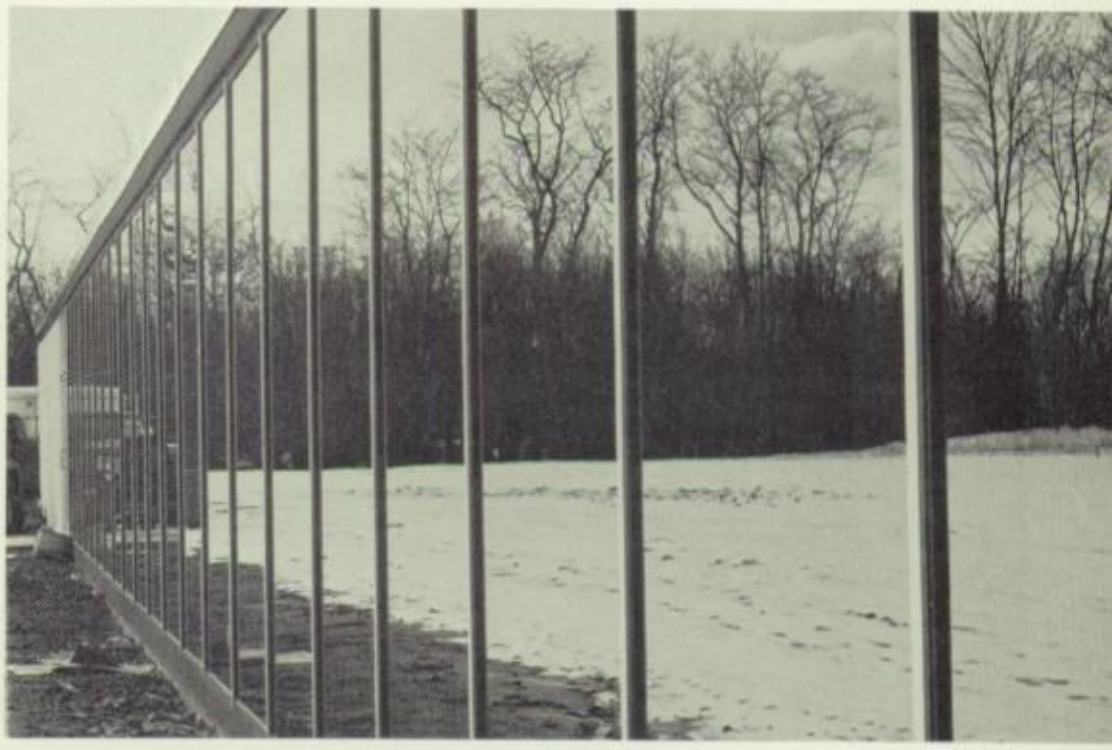
Indian Hill High School

Cincinnati, Ohio



The New Foundation for Our Learning



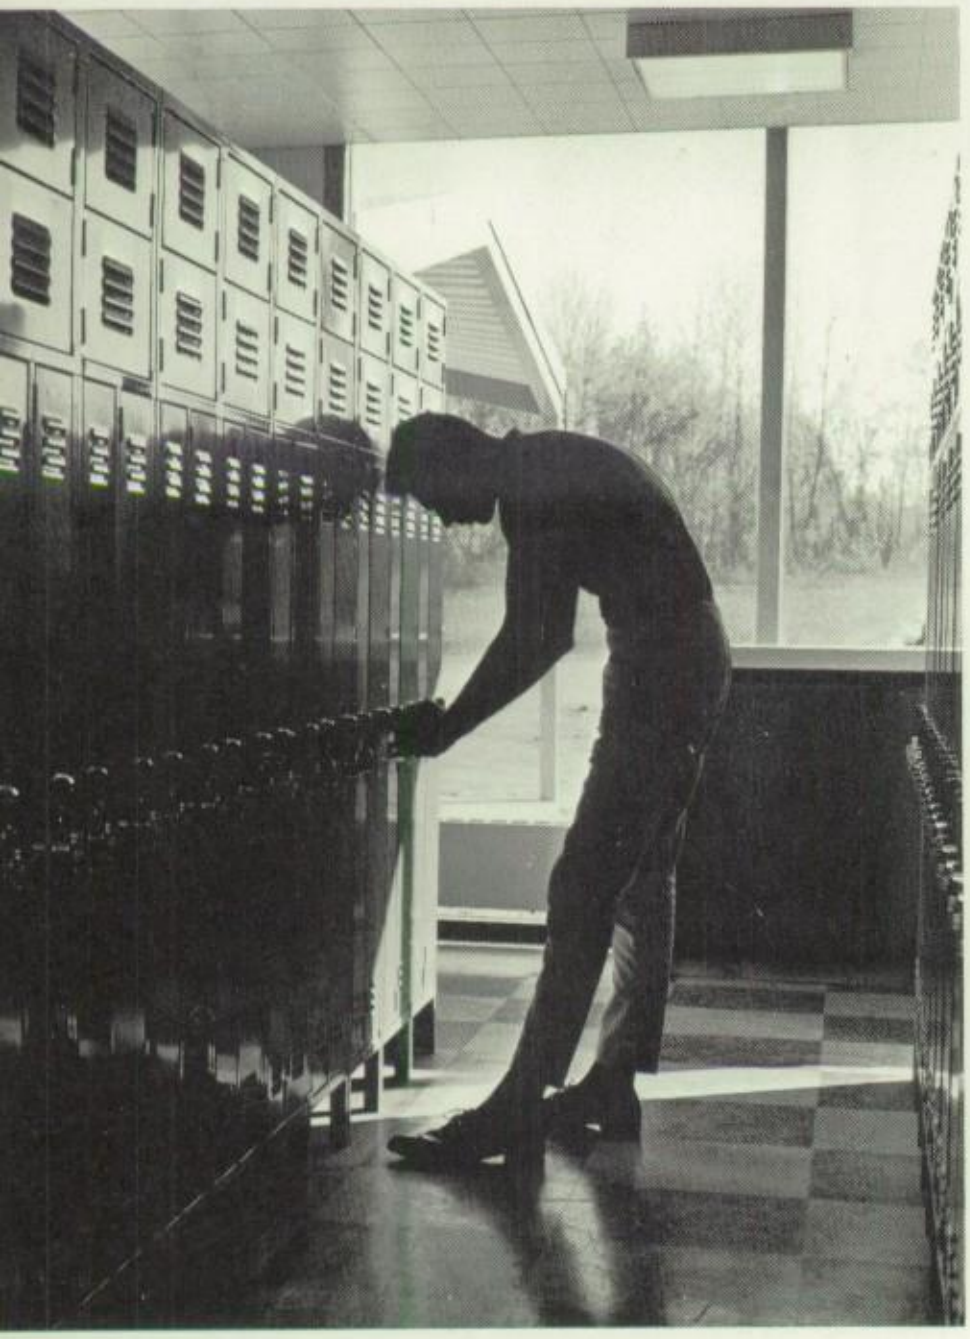


As participants in a developing long-range program, students and faculty at Indian Hill find "new foundations" to mean more than just the new buildings. With pride in progress and admiration for the foresight of the Administration and the community, we take this means of introducing our new school.

Improvements in the academic program and the building are impressive. Providing the best educational facilities, our new Academic building accomodates approximately 600 students. The Commons building houses the art studios, gymnasium, typing classes and music department.

You are invited herein to share with us the life and program at Indian Hill.

The Ingredients of Educational Foundations



Indian Hill has expanded to meet the needs of a growing student body. In its first year the school has fulfilled the expectations of its originators.

The student body is still relatively small, but it offers strong competition to larger schools in academics, athletics, and outside activities. The Administration takes special pride in the performance of the 85 students who have met the strict requirements of the Honor Roll.

Both interscholastic and intramural athletics are an important part of student life at IH. The competitive spirit is very strong among the classes.

Extracurricular activities round out the career of the IH student. The various clubs and the marching band balance the program by offering an opportunity for developing skills and for social experience.

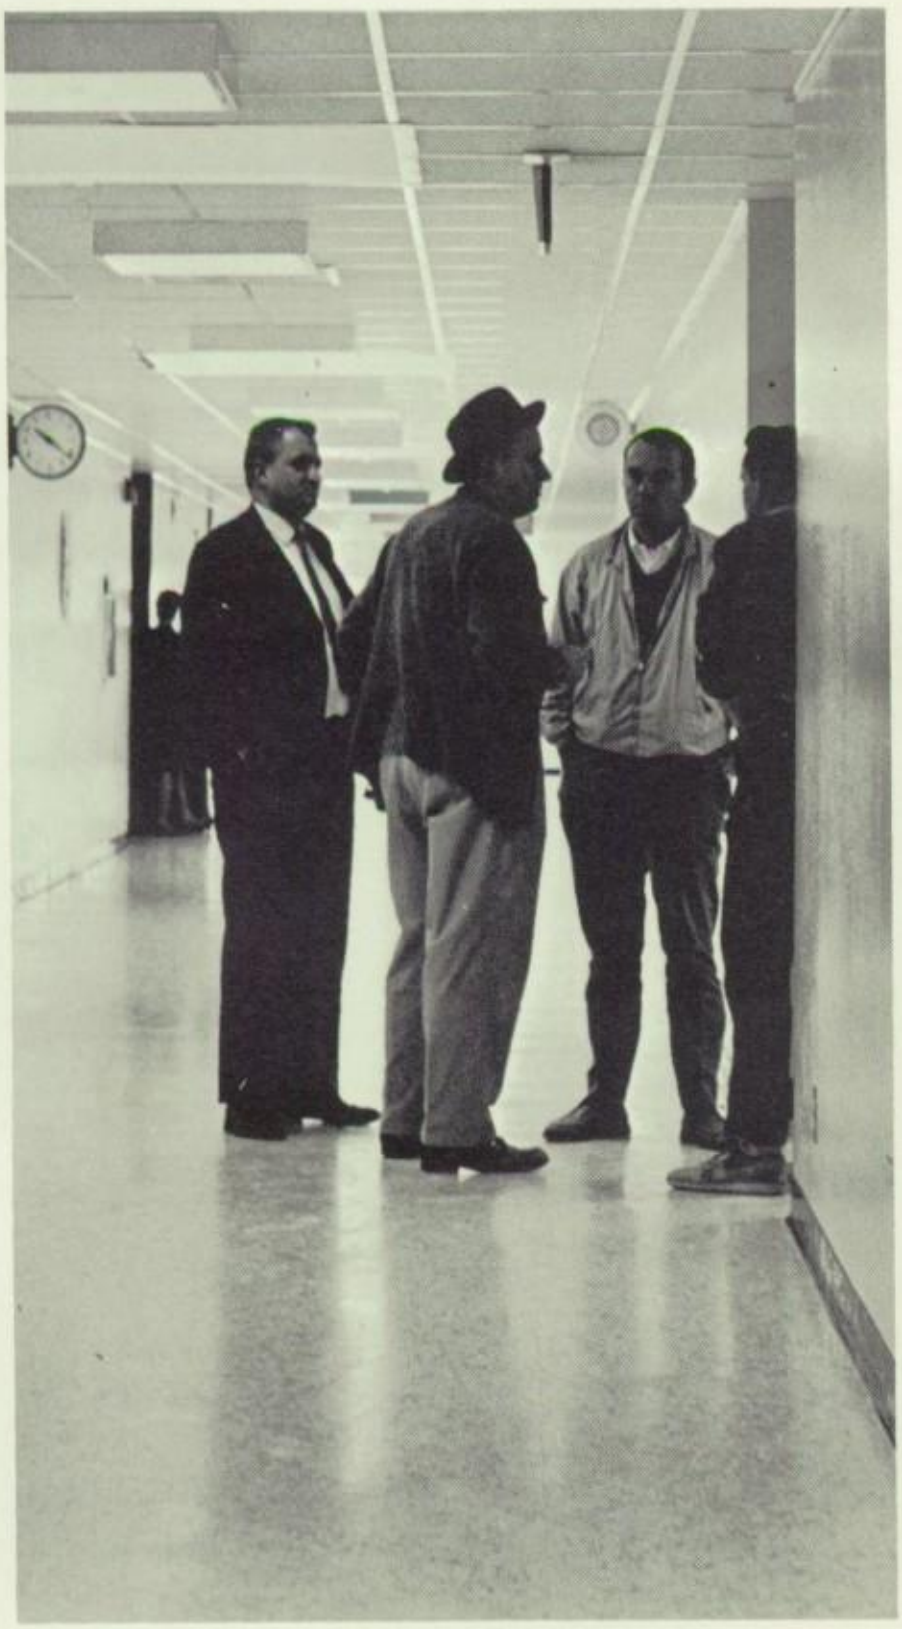
In Memoriam

It is with warm fondness that we remember Cindy Stryker. Her artistic talents contributed greatly to previous Legends, *and she was to be our Art Editor again this year, as she had been in 1963. We remember her memorable performances in the Pow-Wow and in many Dramatics Club productions. We are thankful for the pleasure she gave us with her paintings and drawings.*

We feel that our memories of Cindy are best expressed by these words from Ben Jonson's "The Noble Nature":

A lily of a day
Is fairer far in May,
Although it fall and die that night—
It was the plant and flower of Light.
In small proportions we just beauties see;
And in short measures life may perfect be.



Builders Of Citizenship

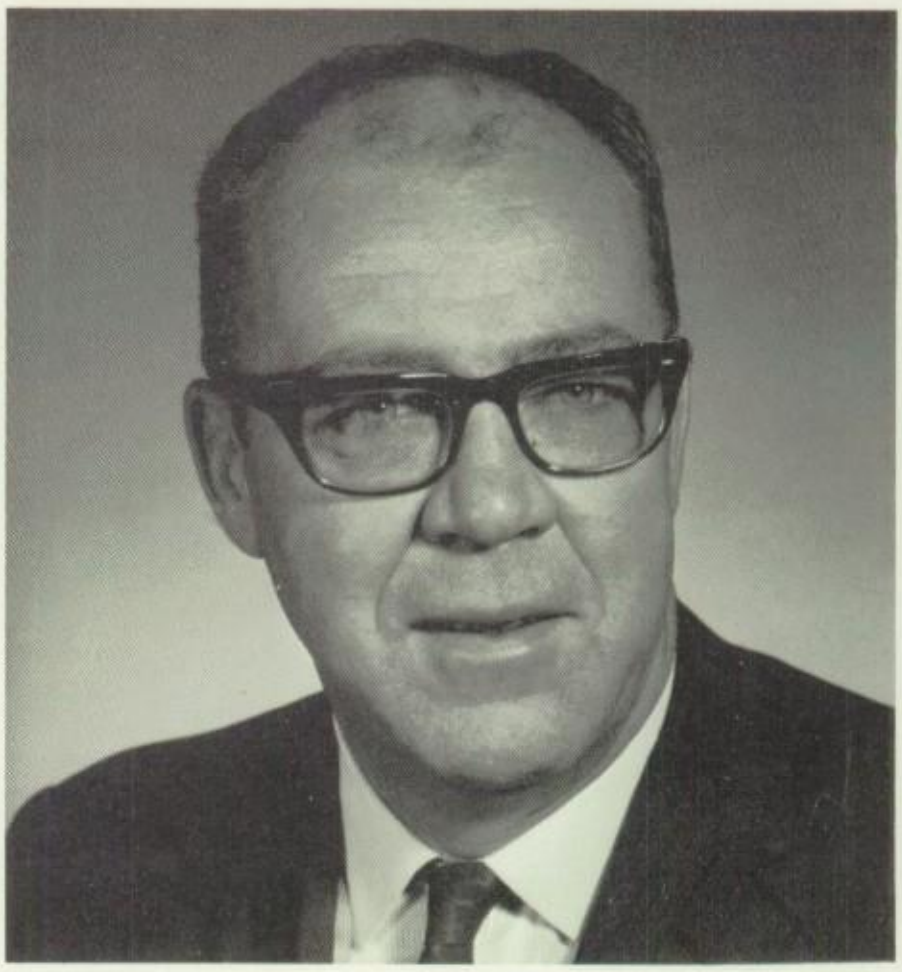
Leaders

DR. ROBERT WALTER

For Superintendent of Schools Dr. Robert Walter "new foundations" meant correlating the design of the new school with the educational objectives it must fulfill. This involved meeting with the faculty to determine the needs of the program, then working with the architect to translate these plans into reality.

Mr. Carl Moran, the Assistant Superintendent, is the business manager, in charge of maintenance and purchasing for the school system.

MR. CARL MORAN



In Growth

The new Administration deserves credit for its role in making the new school a success. The Principal, James Sailer, and his assistant, Charles Selzer, capably supervised the change.

Mr. Sailer's responsibilities as coordinator of the program are extensive. His varied academic background prepared him well for his new position. He is a candidate for his Doctorate at the Harvard Graduate School of Education. As a former math teacher and athletic coach, he is able to sympathize with teachers and students in their daily problems. This interest reflects Mr. Sailer's philosophy that the student should make the best of his individual attributes.

Mr. Selzer, though new to his position of Vice Principal, is familiar to IH students. He taught English at the old school and was the Director of the summer schools for the past two years. His unfailing good-nature has earned for Mr. Selzer the respect of the entire school.

MR. CHARLES SELZER

MR. JAMES SAILER

Mrs. Ted Wilkening, Mrs. Esther Akester and Mrs. Esther Senft are secretaries in the Administration offices at the Little Red Schoolhouse.

Planners

MRS. JEAN O'LEARY

Individual counseling, schedule changes, and aptitude tests are among the responsibilities of the Guidance Department. As Guidance Director and counselor of the juniors and seniors, Mrs. Jean O'Leary devotes most of her time to helping them solve their academic problems and make important decisions affecting their futures.

The freshmen and sophomores had their own counselor for the first time this year. Miss Olivia Prosser was in charge of these students.

MRS. JEAN KERN

MRS. MARGARET SILK

Of Future

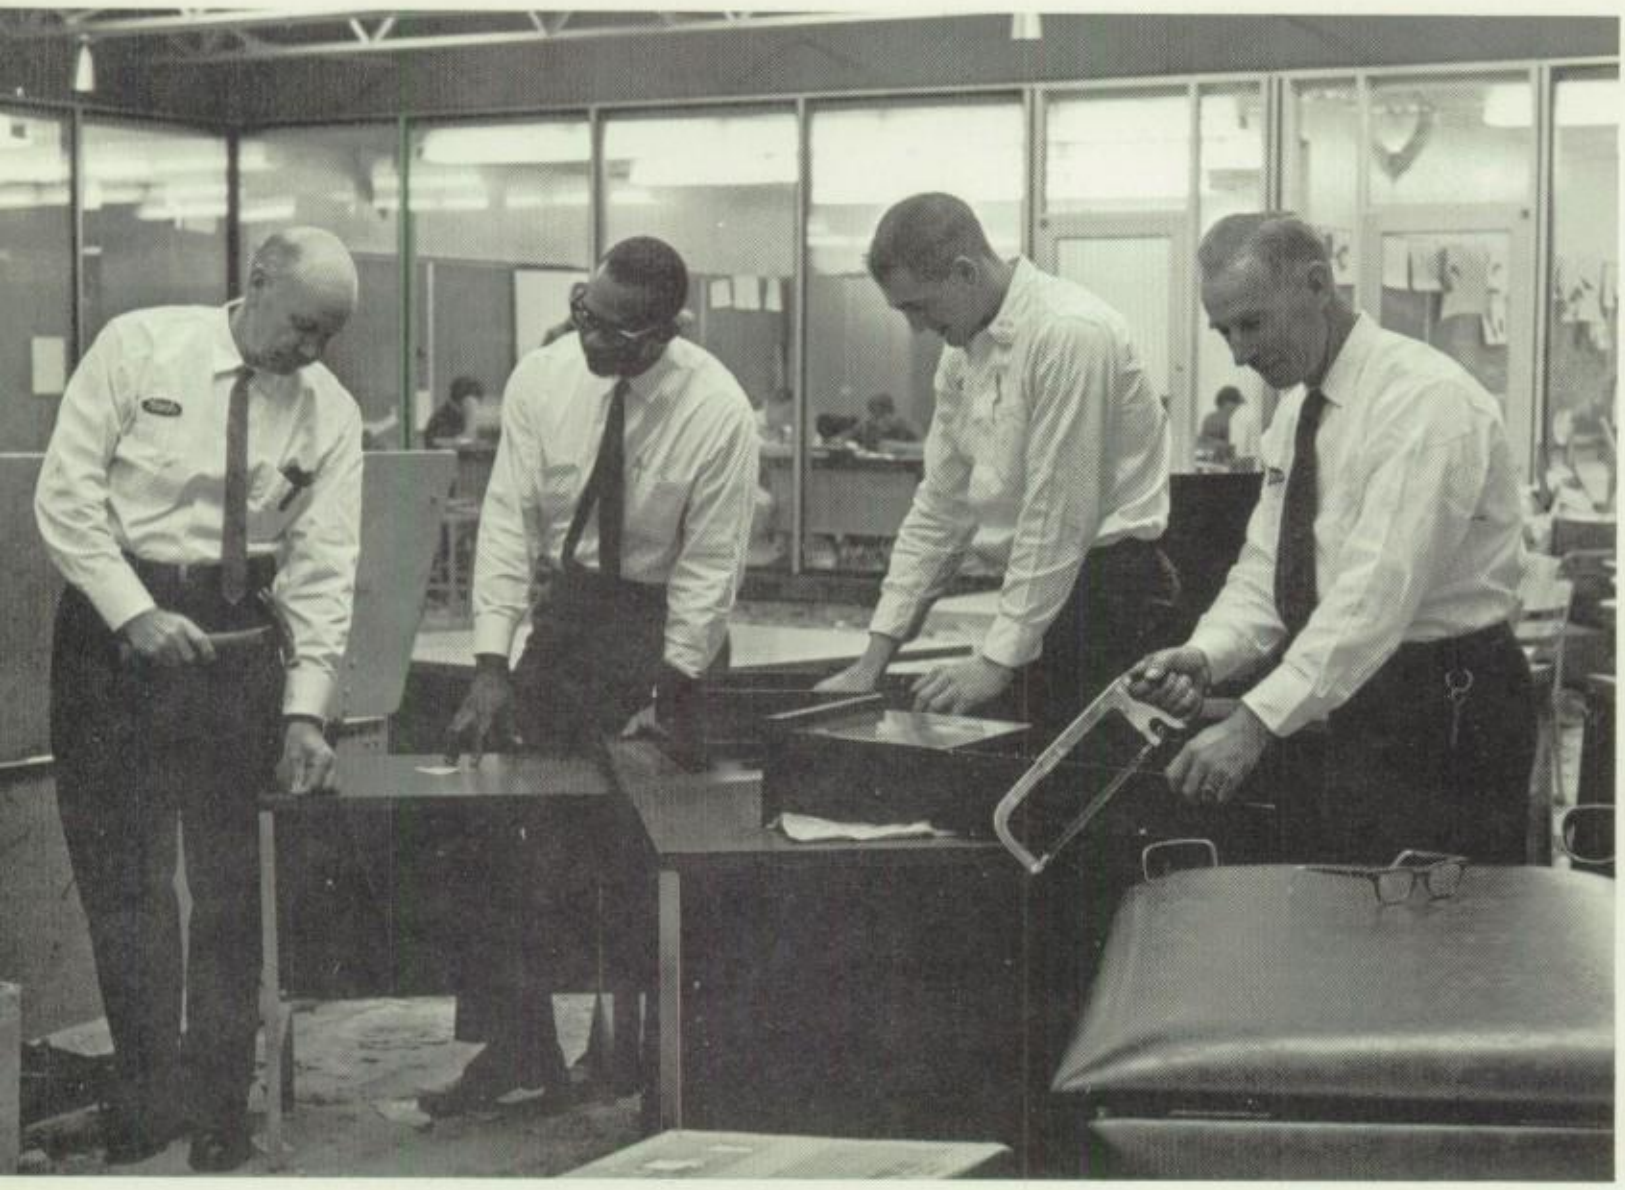
Members of the School Board are Mr. Arthur Fry, Mr. Frederick Wilkening, Mrs. F. Wilkening, Mr. Carl Moran, Dr. Robert Walter, Mr. Booth Shepard, Mr. David Bidwell, Mr. Robert Sternberg and Mr. Louis Hellming.

The School Board consists of five community-elected members who determine and supervise the long-range policies of the entire school system. The Board has been largely responsible for the building of the new school. After conducting surveys on the growth rate of Indian Hill, they initiated the present plan for a ten-year expansion of the system, which will result in a college-campus type school.

The PTA is organized with the aim of promoting efficient cooperation between parent and teacher, home and school. It is headed by an executive board consisting of five elected officers. These officers conduct most of the official business of the PTA, often by appointing committees to study the problems that arise from time to time. In its efforts to benefit the community, the PTA supports adult education classes, Boys' and Girls' State, scholarship fund and banquet, PTA newsletter (Smoke Signals), and American Field Service.

Members of the PTA are, **STANDING,** Mrs. Murphy, Mrs. Reiks, Mrs. Nethercott, Mrs. Fogg, Mrs. Feige, Mrs. Fiore, Mrs. Von-Hedemann, Mrs. Hargrave, Mr. Sailer; **SEATED,** Mrs. Atteberry, Mrs. Muzzo, Mrs. Schmidt, Mrs. Hedrick, Miss Prosser, Mrs. Carstarphen, and Mrs. VanHouten.

Servers



Responsible for maintaining the new facilities are Mr. Arbin Bock, Mr. Charles Baker, Mr. Stanley Howlett, and Mr. Joe Daroczy.

Mr. Frank Gelvin is in charge of the bus drivers who are: John Barkley, Paul Buerger, Neal Clements, Margaret Curnayn, Don Davis, Grace Davis, Sarah Davis, Lillian Doerr, William Doerr, Ruth Dunham, Floyd Ertel, Ona Farris, Etta Greene, Charles Lucas, Glenn Meeker, Virjean Miller, Carl Neumeister, Floyd Wilson, Herman Wolf.

Of Progress

The Custodians, bus drivers, cooks, and school nurse play an important role in the efficient running of a new school. The custodians keep the new building in good condition for the community. The bus drivers transport many of the students to and from school. The cooks prepare and serve nutritious lunches in the new cafeteria. The nurse supervises the health and safety of the students. Without the service of these people the school would not be able to continue its progress.

MRS. HELEN DOWNES
Nurse

Lunches were served by Mrs. Rose Setty, Mrs. Edna Poole, Mrs. Betty Clayburn, Mrs. Pauline Henke, Mrs. Mary Pottinger, Mrs. Effie Schumacher.

Supporters of Educational Development

The Indian Hill PTA takes a vital interest in the physical and cultural development of the students. It organizes the annual bonfire which inaugurates the football season. Crowds gather to watch the performances of the marching band and the cheerleaders and to cheer the football team on to another victorious season.

The newly-formed Bowling League is also sponsored by the PTA. Interested students meet on Monday afternoons at Kenwood Lanes for practice or competition.

Perhaps the most beneficial PTA contribution is the bookstore. Run entirely by volunteer mothers, it is open during the lunch-hour in the Commons Building. Its extensive paperback collection has enabled the faculty to include in the curriculum many books formerly unavailable to students.

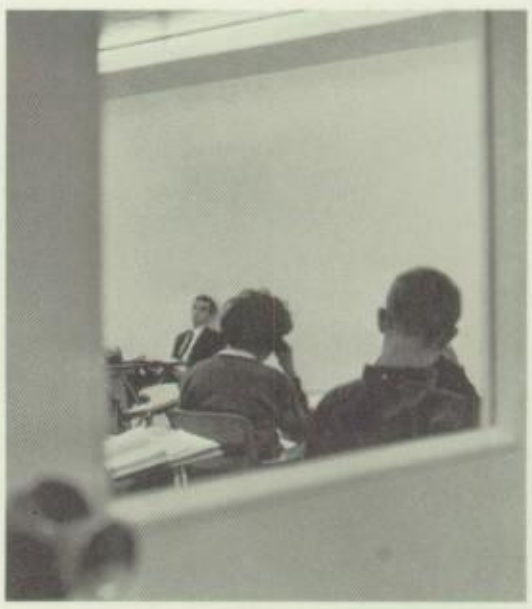
Fulfillment of Educational Needs



The Indian Hill curriculum provides, in addition to basic academics, several courses for self-enrichment and for practical training. These enable the program to satisfy the needs of all the students.

A well-equipped reading laboratory provides training in speed and comprehension. Speech classes offer extensive training in public speaking and dramatics. Drama lessons by the newly-developed California method, which stresses improvisation, have been very successful. Creative talent are further developed in the new art studio.

Classes in applied sciences prepare students for careers in home economics, industrial arts, engineering and secretarial work. Students are encouraged to study in at least one of these areas.

Class of 1964

New foundations have found a senior class with characteristics unique in IH history. They were the last seventh grade to use Jefferson Schoolhouse and the last junior class to attend the old high-school. They are now the first senior class to graduate from the new building. Their school ring has become the established style for future classes. They have set a precedent by organizing a senior lounge. They are the class of 1964.

Student Council rules set up in conjunction with the faculty for the use of the lounge have been effective. It is hoped that the lounge will become an Indian Hill tradition.

Posters and promises abounded during the mock Republican campaign staged by the seniors. The Government classes chose one senior to represent each of the seven major Presidential contenders.

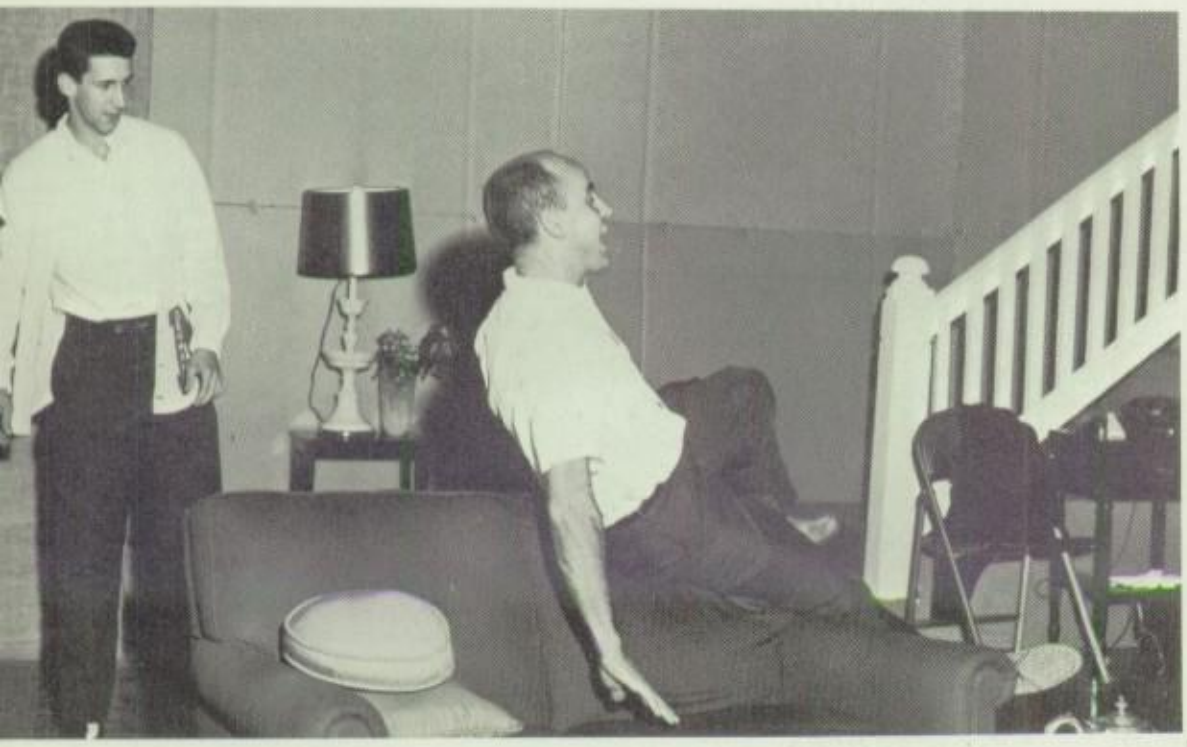
Senior Play

"Time Out For Ginger," a delightful comedy about a teenage girl turned football player, was proudly presented by the senior class on October 25 and 26 at Drake Road Auditorium. Ed Steiner was outstanding as Howard Carol, Ginger's patient, loving father. Nancy Vordenberg deserves special mention for her skillful portrayal of Mrs. Carol on a few hours notice when Jane McGara, the original Mrs. Carol, was injured in a riding accident on the afternoon of the second performance. Ginger was aptly played by Charlotte DeCroes. Mr. Kincaid, who directed the production, shares with the cast due pride in the smoothness and success of the production.

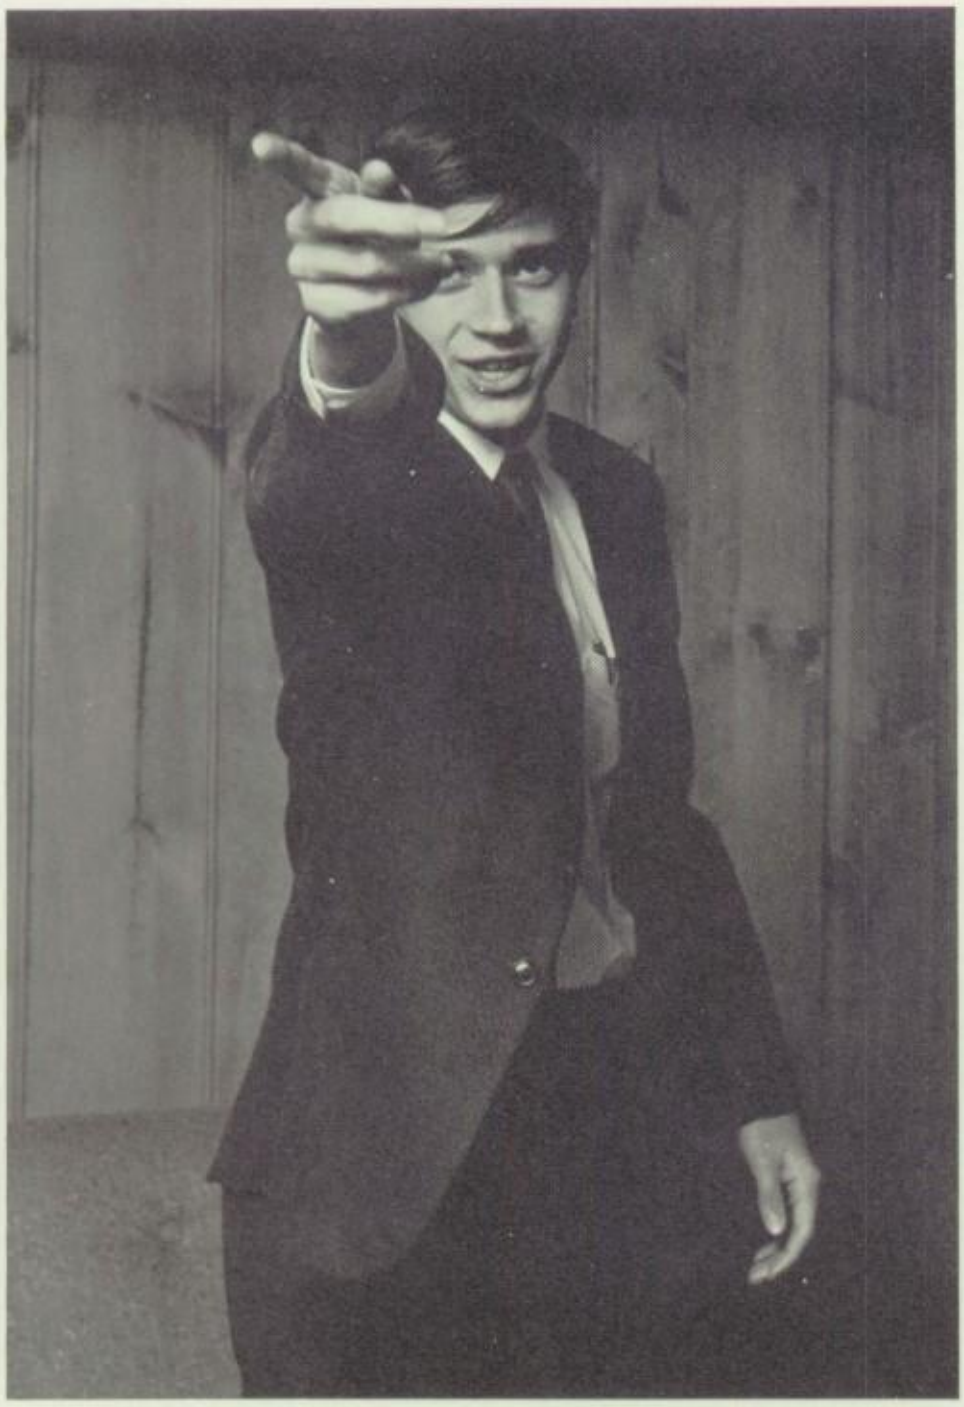
Jane, Ann, and Charlotte do not see eye to eye.



Mr. Kincaid shows Denny the correct way to fall.

Both Nancy and Jane acted as mates to Ed in the play.

Ed discusses some family problems with Jane, Annette, Mariel, and Charlotte.



Rollie has his dramatic moments.

Phil just cannot understand why Charlotte is so upset.

Queen Charlene Lindner, escorted by Chuck Duncan, proudly displays her roses.

Prom

The long-awaited night of May 23 arrived at last. Juniors, seniors and their dates attended the Prom held in the Sheraton-Gibson ballroom. The evening began with dinner at the hotel. Music for the dance was supplied by the Bill Walters Band. Special performances were given by Bob's Bouncing Boys and by Connie Carrol, who sang her rendition of "The Secret Service." The Lion's Band also made a brief appearance in the ballroom, much to the delight of the dancers.

The evening was one of "Moonbeams and Stardust" for all, especially for Prom Queen Charlene Lindner, her escort Chuck Duncan, and the attendants. A service at Armstrong Chapel followed the dance. Many went on the hayride which followed and to Coney Island on Sunday for a day of rides and picnics. Monday morning came all too soon for the tired but happy students, and the Prom was over for another year.

The Queen and her court were: Charlotte DeCroes, Carl Bergman, Laura McNay, Don Walker, Charlene Linder, Chuck Duncan, Jill Allen, Ken Johnson, Mariel Shenefelt, and Gary Nave.

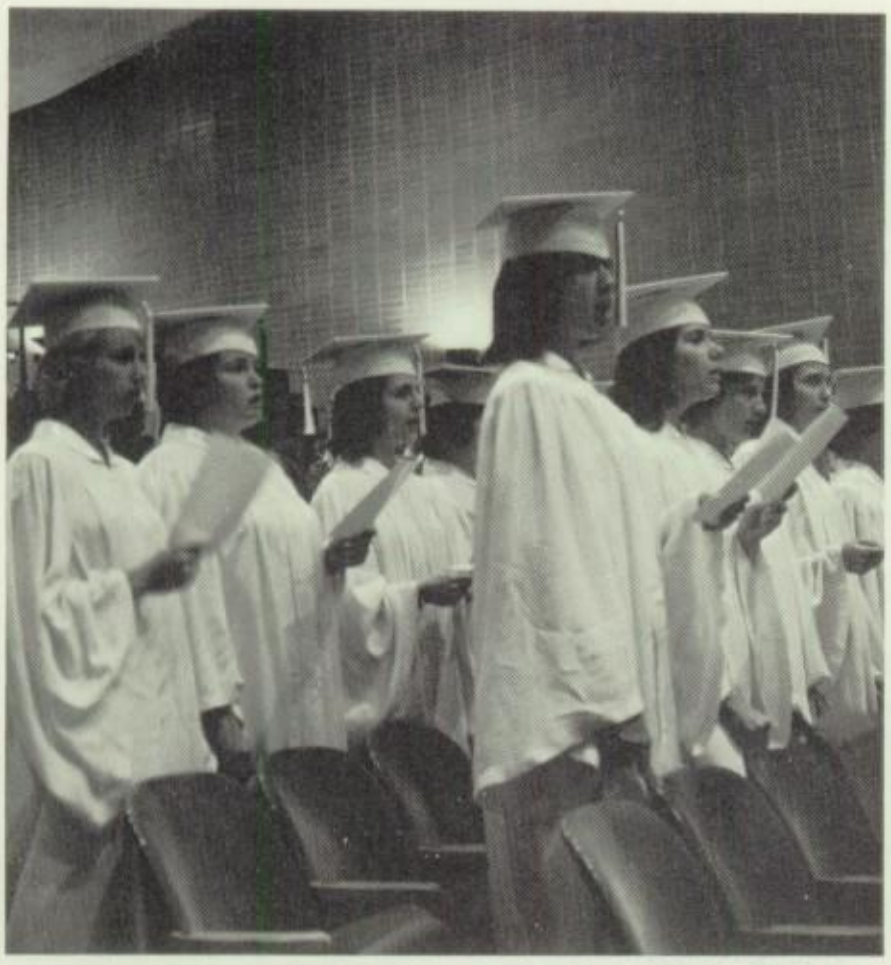
Bill and Kathy chat about some interesting topics.

The wonderful music inspires many to dance.

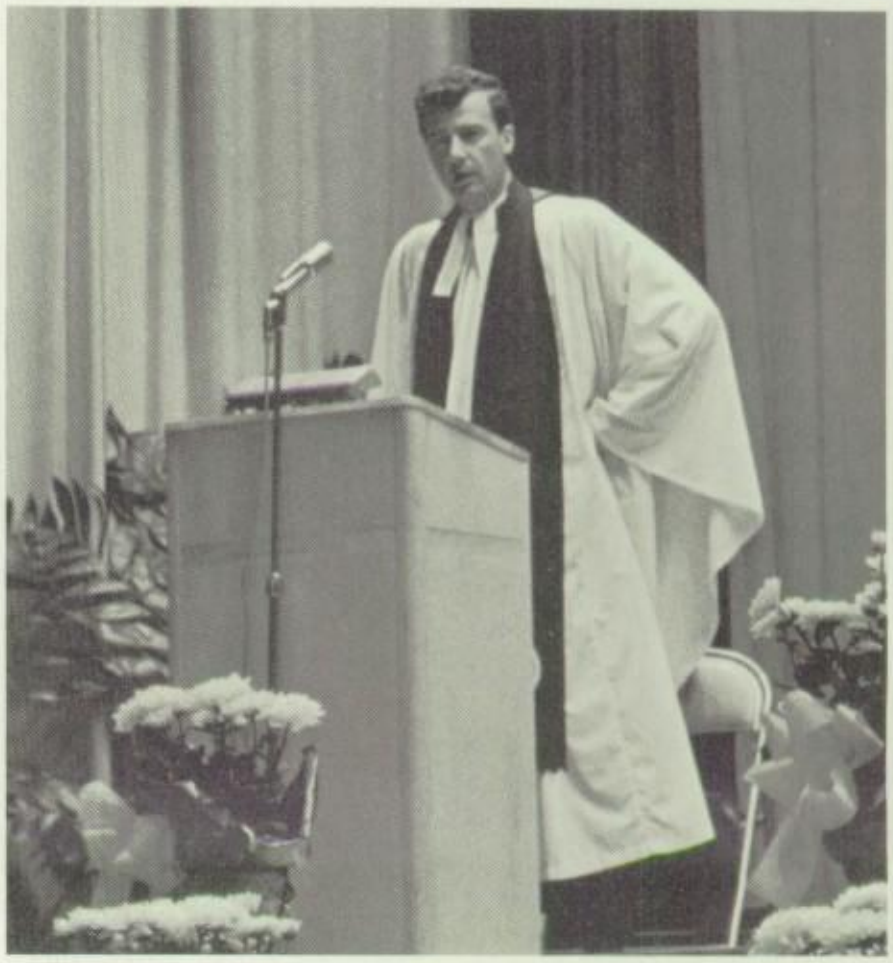
The dinner tables are good spots to catch up on the latest gossip.

Baccalaureate

Sunday night, May 31, the senior class, robed in the traditional red and white caps and gowns, marched in procession down the aisles of the Drake Auditorium and took their places of honor in the front rows. Families and friends sat hushed as the Baccalaureate service began with the Invocation by the Reverend Joseph Briggs, O.P. The class sermon "An Evangelistic Meditation on Sane People" was delivered by the Reverend Canon Stanrod T. Carmiachel. Following a selection by the Chorus, Reverend Briggs delivered the Benediction, and the seniors filed silently out of the auditorium.



The seniors, with mixed emotions, sing the Alma Mater.



Reverend Carmiachel delivers his sermon.

Mrs. Moran and the Chorus thoughtfully sing a hymn.

Commencement

The long-awaited ceremony of graduation was held on June 4. The excited seniors marched onto the football field, accompanied by the Band playing the traditional "Pomp and Circumstance." The seniors listened thoughtfully to Dr. Wendell H. Pierce who addressed to the class a few important words to consider in "Your Tomorrows." Then came the presentation of diplomas by Mr. David Bidwell, and the acceptance on behalf of the class by Jeffrey Walters, after which followed the traditional changing of the tassels. Following the Benediction by Reverend Vandegriff, the class filed to the end of the field where they formed a reception line. They were ready to begin their futures.

Carol Schutte, valedictorian, and Ed Steriner, salutatorian, look into their futures with confidence.

Beth Lojinger proudly accepts her diploma from Mr. David Bidwell.

Red caps, white gowns, and red roses added to the beautiful ceremony.

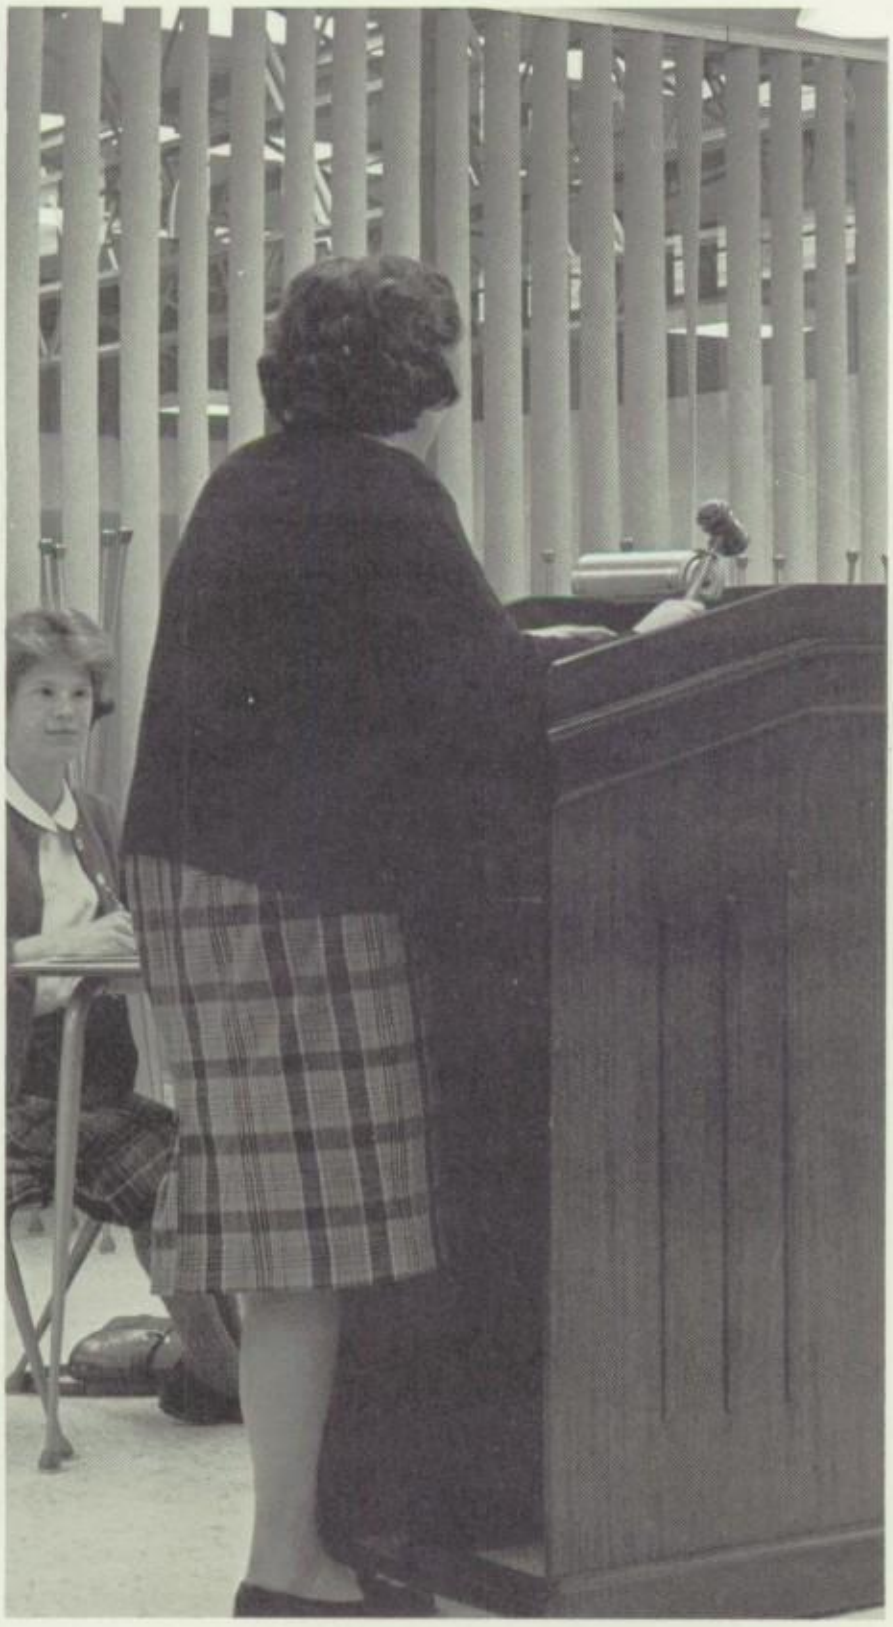
Builders of Our Foundations

It was a constant struggle during the first few months of school to hold classes above the noise created by the workmen. Mr. Sailer tried to alleviate this problem by playing musical classrooms, but this was not conducive to better study conditions, and was soon discontinued.

Another problem was that workmen would often visit classes bearing ladders, light cords, or loudspeakers. These surprise visits may have helped the program somewhat, however, by making students more conscious of class performance.

We will never forget such entertaining diversions as watching the workmen put up sunshades in January. But, alas, even a snail must complete his journey sometime, and so it was with our illustrious workmen.



Foundations For Proficiency

Student Council

Members of the Student Council are: C. DeCroes, C. Lindner, S. Muzzo, C. Knight, S. Bullard, T. Osterthaler, R. Brand, G. Hartman, P. Sickinger, J. Camp, J. Warren, D. Murphy, E. Steiner, G. Nave, B. Sanders, G. Gusinky, J. Field, P. Sickels, N. Harness, L. Fiore, M. Sticht, S. Smith, J. Berkey, B. Dodd, and N. vonHedeman.

Charlotte DeCroes, Chuck Knight, and Charlene Lindner put up Christmas decorations.

Enthusiastic and hard-working are adjectives that describe the vitality of this year's Student Council. Constantly attempting to fullfill their duties to the best of their abilities, the members were very active.

The Student Council enthusiastically sponsored: the preparation of a handbook containing all the activities of the high school, a clothing drive for the poor, an Eighth Grade day on which prospective freshmen were oriented in the activities of the high school, and a Sadie Hawkins dance.

Under the leadership of Charlotte DeCroes, president; Chuck Knight, vice president; and Charlene Lindner, secretary, the Council functioned as an effective mediator between the students and the administration. It is hoped that the Student Council will become an increasingly important part of student life.

Members are: **(SEATED)** C. Wolf, C. Carstarphen, C. DeCroes, G. Price, J. McGara, A. Schubert, M. Darnell, C. Schutte **(SEATED)** J. Campbell, C. Cobbe, C. Schmidt, P. Pope, K. Didday, J. Doscher, C. Cottrell, J. Cook **(STANDING)** J. Edwards, J. Rollins, T. Hensgen, M. Dauner, S. Skidmore, J. Walters, P. Sickenger, E. Steiner, J. Rabius, D. Knoll, and D. Walker.

National Honor Society

Annette symbolically lights a candle.

The National Honor Society recognizes students who have shown the outstanding qualities of scholarship, leadership, character and service. Membership is granted to those students who have maintained at least a "B" average and who are considered by present members and teachers to have the necessary qualities.

New members were initiated at the scholarship banquet on May 13. These included juniors who have maintained their high scholastic standards and qualified seniors who have entered in the past year.

Probationary members from the sophomore class were honored at the annual awards assembly and later initiated by means of a solemn ceremony. If they maintain their fine records they will become permanent members in their junior year.

Scholarship Team

The scholarship tests distributed each year by the Ohio State Department of Education are taken each year at Indian Hill. The preliminary tests, administered by the school, may be taken by any student, although no one may take more than two tests.

The students with the highest scores in each subject take the final test, competing for honors on both the district and state level. This year, because of the increased size of the school, we were able to send three representatives in each area instead of two.

Members of the Scholarship Team are: (**FIRST ROW**) D. Rollins, C. Schmidt, C. Mossman, J. Edwards, C. Carstarphen, C. Hargrave, M. Storlazzi, D. Maranchik, G. Nisonger, S. Koch, A. Marquess. (**SECOND ROW**) J. Weizenecker, L. Gellenbeck, K. Didday, P. Pope, K. Dugle, M. Darnell, J. Corrington, G. Nees, C. Brooks, S. Nethercott, K. vanHouten. (**THIRD ROW**) E. Graebert, D. Seitz, D. Miller, R. Pryor, J. Warren, J. Koch, N. O'Leary, C. Brenner, G. Carstarphen, A. Metz. (**FOURTH ROW**) W. Bladh, J. Chewning, C. Hedrick, A. Holterhoff, L. Nees, T. Senft, S. Bullard, P. Sickinger, J. Camp. (**FIFTH ROW**) J. Berkey, D. Knoll, D. Weil, D. Murphy, G. Fogg, P. Smith, D. McLaughlin, B. Langhorst, J. Walters, and E. Steiner.

This year the Radio Club has changed its program from that of previous years. Instead of concentrating on code and theory classes for its members, the club undertook the establishment of a neat, efficient amateur radio station. The "Radio Shack," located in the room behind the Biology lab, is supplied with equipment either built by members or purchased with money earned from selling Christmas cards.

Members of the Radio Club are: B. Stewart, G. Stowell, T. Homan, D. Walters, J. Berkey, Mr. Conell (Sponsor), P. Sickinger, J. Young, J. Chewing, J. Adrick, and D. Hendricks.

Radio Club, Science Club

Members of the Science Club are: J. Erdman, D. Dire, C. Hedrick, G. Starr, J. Yingst, J. Young, B. Erdman and P. Leue.

Organized last year, the Science Club gives scientifically inclined students the chance to explore more thoroughly the many aspects of science. They have made studies of astronomy and probability. Field trips were taken to the Hilltop Laboratory and the Natural History Museum Planetarium. They also sponsored the second annual Indian Hill Science Fair.

Legend

Amid the confusion of moving into the new school, the **Legend** staff started work on the book. Despite various moves, they continued their planning, finally setting up permanent headquarters in the office shared by Miss Berwanger and Miss Selzer. There were a few difficulties in this arrangement, such as limited shelf space and having to lose precious production time cleaning up the office each time they used it, but the staff was grateful for the teachers' patience with them.

After long weeks of planning, sketching and typing the final shipment was sent to the publisher. Now the staff anxiously awaits the finished product—the 1964 **Legend.**

Editor Carol Schutte and Advisor Mr. Denton try to solve a layout problem.

Members of the Copy staff are: J. Dettwiler, A. Metz, N. Vordenburg, L. Dorman, J. Warren, B. Bischoff, C. Carstarphen, J. Corrington, D. Spicher, G. Nees, and D. Miller.

Members of the Subscription staff are: D. Spicher, E. Smith, J. Weizenecker, C. Sibcy, C. Bagnoli, G. Johnson, and M. Crew.

Co-editors of the **Legend** are: Beth Lojinger, Ann Metz, Marilyn Crew, Ed Steiner, and Phil Sickinger.

Members of the Advertising staff are: K. Ulfers, P. Burdsall, J. Jorgansen, P. Pryor, P. Sickinger, N. Von-Hedeman, M. Hatch, E. Steiner, P. Smith, C. Burdsall, K. Didday, and J. Doscher.

Chieftain reporters are: D. Henn, V. Seelen, L. Wagner, R. Carr, D. Bryden, P. Hamilton, G. Starr, B. Atteburry, N. Crull, and B. Sanders.

Chieftain printers are: J. Young, D. Marcus, and J. Rabius.

Chieftain

The **Chieftain,** sister publication of the **Legend,** is in its thirteenth year. In its efforts to make the paper a record of all school life, the **Chieftain** staff is one of the hardest working groups at IH.

The several **Chieftain** reporters bring in their news copy to the editors, who finally pass it on to the typists. The typists, using two IBM executive typewriters, must do each article twice to assure a straight right-hand margin. While this is being done, another crew is ruling off large white sheets of art cardboard into columns and making headlines on the Photo Riter. When copy and boards are ready, the paper is "made up" or pasted as it will be found in final form, except for pictures, on the large make-up sheets. These sheets are then photographed by a professional photographer (the only operation the **Chieftain** crew is not equipped to do) who reduces his negative to the actual size of the paper. These negatives are brought back to the **Chieftain** headquarters, where they are used to make the aluminum plate from which each page of the paper is printed.

Jason Warren, editor, and Mr. Kincaid, advisor, plan the next edition of the **Chieftain.**

Members of the production staff are: J. Redman, E. Smith, N. Vordenberg, B. Wiedemann, J. Adrick, B. Sublette, and G. Karam.

The co-editors are: J. Jorgensen, P. Pryor, J. Campbell, T. Knight, S. Anderson, D. Miller, T. Walkenhorst, and N. von-Hedeman.

Dramatics Club

Although the new school does not have its own stage, the Dramatics club has been very active this year. Sponsored by Miss Mary Berwanger, the group has presented two major plays this year, **Alice's Adventures in Wonderland and You Can't Take It With You.**

Few people realize the amount of work or the many types of people involved in the production of a play. The Dramatics Club is to be credited with doing an admirable job in both its productions this year.

Thespians

The Indian Hill Chapter of the National Thespian Society has grown considerably this year. The members have all contributed time to Dramatics Club activities. Those members who have earned at least fifteen points for Club work have become members of the Thespians.

The main event of the year for the Thespians was the production of **The Stolen Prince,** a one-act Japanese play. It was first presented at the Drake Road and Concord Elementary Schools. It was then entered in a Thespian play contest. Finally, it was presented at the high school as part of an experiment in the acoustical facilities of the new gym.

The organization's officers are Silas Skidmore, president; John Rabius, vice president; Georgia Price, secretary; and Jean Cook, treasurer.

Members of the Thespians are: B. Bishop, K. VonHouten, P. Smith, S. Skidmore, Miss Berwanger (Sponsor), J. Rabius, G. Price, M. Short, G. Nees, J. Cook, P. Leue, G. Carstarphen, A. Metz, G. Spanish Societies

The Spanish Club, "Los Amigos Panamericanos is one of the most active clubs in the school. The Christmas party, with the pinatas, brightly decorated presents, and Christmas carols, was a gala affair, as was the annual fiesta in May. The Club also entertained such guest speakers as Gloria Gusinky and Mauricio Sato, both AFS exchange students.

The Spanish National Honor Society, "Cerro del Indio," was started in 1954 by Miss Ong. Last November the Chapter held its initiation ceremony at which it recognized a new chapter from Sycamore. In January the Chapter attended the performance of the Ballet Folklorica held at Miami University. It sponsored the Pan American Day assembly and attended concerts and exhibits by well-known Spanish artists.

The Club meets once a month and entertains many interesting speakers. The Club's officers are: Sandy Anderson, president; David Murphy, vice president; Phillys Johnsen, secretary; and Anne Marquess, treasurer.

The Latin Club enjoys learning about Ancient Rome.

G.A.A.

By offering a wide variety of athletic and social activities, the Girls' Athletic Association hopes to foster leadership and sportsmanship in its members. All girls have the opportunity to participate in club activities for pleasure or on a competitive basis to earn points towards an achievement award.

Field hockey, basketball, modern dance, tennis and baseball are only a few of the many sports offered. A Christmas dance and an Awards Banquet were also included in the scope of the G.A.A. activities. The officers: president, Martha DeBra; secretary, Judy Campbell; and treasurer, Coralinda Cobbe worked with the Board of Directors and Miss Shelton, their sponsor, to set up an invigorating program.

The enthusiastic members of the G.A.A. are very active in all sports.

A.F.S.

This year's American Field Service exchange student was Gloria Gusinky, the first AFS student from Paraguay, and a charming goodwill ambassador from her country. During her nine month stay in the home of Judy Campbell, Gloria became an important member of the Indian Hill community.

A beauty contest winner for several years in Paraguay, Gloria had one of her most exciting moments when she was chosen Basketball Homecoming Queen. This mark of acceptance is an honor which has perhaps never before been given to a foreign exchange student.

Gloria's non-academic interests include dancing, playing the piano and art. Two honors she has received attest to her talent. She has been invited to dance for President Johnson in Washington this summer at the convention of all the AFS students currently in the United States and she has been offered scholarships for architectural study in either Paris or Rome.

In speech class Gloria volunteers the answer to a challenging question.

Members of the Chorus Council are: L. Lovelady, C. Cottrell, P. Pope, G. Tyirin, D. Vogt, L. McNay, R. Carr, P. Reising, and C. Brooks.

Chorus

In order to encourage an interest in singing, a Girls' Glee Club was organized this year as a separate group from the mixed chorus. Both groups, under the capable direction of Mrs. Betty Moran, were active in functions inside and outside the school.

The combined program of the band, chorus and Glee Club again, as in past years, inaugurated the Christmas season with a fine concert. The Chorus performed a Fred Waring arrangement of "The Song of Christmas." Next on the program was a medley of Christmas carols and a number called "A Christmas Folk Song," performed by the Glee Club.

In March the Glee Club was awarded a Superior I rating for their performance in a statewide Band and Chorus competition. The entire school was proud of their fine performance.

The High School Chorus gave many memorable performances this year.

The Glee Club, under the direction of Mrs. Moran, was founded this year.

A. Bishop Harvout was the guest soloist at the Christmas concert.

The Indian Hill High School Band under the leadership of R. Earl Snapp is now ninety-two members strong, an increase of seventeen over the last year. The officers of the Band are: Ed Steiner, president; Annette Schubert, vice-president; Jason Warren, treasurer; and Karol Van Houten, secretary.

The Band's biggest project this year was the trip to the World's Fair. This was preceded by a Pre-New York World's Fair Concert with guest-soloist "Doc" Sevinsen. This year the Band also marched in the U.C. Homecoming. During concert season there were two concerts, and the Band also earned a Superior Rating in the District Contest.

The Stage Band is composed of the best members of the Band and orchestra. Robert Browning is the Assistant Director of this group. It consists of twenty-two members, who played for the Pow Wow and the Science Convention in Columbus.

Junior Play

The **Ghost Train** roared through Indian Hill during the week of the Junior Class Play. Despite a last-minute crisis, when Penny Leue came down with the measles, the play was given on March 20 and 21 as planned. Jean Cook, on five hours' notice, learned Penny's role and played it well.

The story concerns an unusual assortment of people who are stranded in a railroad station. After a series of mysterious events, by which the travelers are persuaded that the train has magical powers, they are all saved by a clever F.B.I. agent and his detectives.

Outstanding performances were given by Silas Skidmore, Sue Bassett and Linda Carrelli. Mr. Rusche and Miss Selzer were the able directors.

Student Aids

Almost every non-academic department of the school employs student assistants. Student aids work in the main office, the library, the cafeteria, the athletic office, and the audio-visual department. They facilitate the everyday functions of the school: checking books in and out, distributing notices and absentee lists, typing and fulfilling many tasks that the staff would not have time to perform.

Martha Hatch and Pam Burdsall collect mail for the office.

Members of the Athletic Office Aids are: J. Campbell, J. Cook.

Debate Club

The newest of the clubs at Indian Hill is the Debate Club. An outgrowth of the study of debate by the Speech classes, It has gained a surprisingly large membership from students both inside and outside the classes.

Under the sponsorship of Miss Martha Selzer, the club has seen three debates prepared by members and has entered a team in a city-wide debate contest, for which the latter received an honorable mention.

Formed late in the year, the club elected officers at its second meeting: Ann Metz, president; Dan Moon, vice president; Cindy Carstarphen, secretary; and Mark Dauner, treasurer.

Members of the Debate Club are: A. Metz, C. Carstarphen, C. Norris, C. Johnson, N. Hand, B. Lojinger, S. Basset, D. Bassee, G. Starr, J. Chewing, J. Holmes, W. Bladh, G. Rockenfield, and R. Maddox.

The successful season had many highlights. A total of 342 points was scored by the offense which is a new school record. The defense held their opponents to 27 points which is a new school record and was also the best defensive record of any high school in the Greater Cincinnati Area.

The team attained its goal, a perfect season, through hard work and desire. Their courage and determination elevated school spirit, which soared to a new high. We congratulate Mr. Clark and his team for their fine performance during the very successful season.

The Varsity won two and lost four, but captain Louise Schomburg was pleased because the team developed strong team spirit. The Junior Varsity, captained by Kathy Treadway, made a fine record by winning four of their games, losing only two. Miss Shelton is confident that both teams will go on to many more victories next season.

The team competes with boys from other schools in the Eastern Hills League. Led by Warren Shakespeare and Greg Hammer, the team was fourth in the district and second in the league. The boys, who are mostly sophomores and juniors, look forward to a better season next year.

Track

For the first time at Indian Hill girls and boys participated in track. Although the boys, coached by Mr. Clark, lost many seniors last year, they combined determination and spirit to have another fine season. The new track allowed the team more chance for practice and perfection. The boys were fourth in the Eastern Hills League and runner-up in the Country Day Invitational. Heading the team's competitive front was Jeff Walters, who was first in the eight-hundred-eighty-yard dash in the district meet at Trechter Stadium and later went to Columbus to compete in the state meet.

The girls, coached by Miss Shelton, participated in the first track team at Indian Hill. They were first in a triangular meet at Princeton High School and were second in the Princeton Invitational. The girls, who are all underclassmen, look forward to a fine season next year.

In the Eastern Hills League they were first in season competition and in the tournament. Lou Fiore was the singles champion, and Denny Weil and David Bosken were the doubles champions. The girls, coached by Miss Shelton, also did very well; however, there is no league competition which they can enter.

Baseball

Due to the inexperience of the players at the beginning of the season, the Varsity and Junior Varsity teams did not have as successful a season as they had anticipated. The Varsity, composed entirely of sophomores and juniors, won six games and lost six. Coach Martin and captain Jim Rollins are confident that this year's experience will serve as valuable training for next year. The Junior Varsity, coached by Mr. Woehler, played only ten games, winning four and losing six. They look forward to a great improvement next season.

The Chess Club is a new activity at IH this year. Sponsored by Mr. Connell, the Club has entered several matches with other schools. Each member has a rank in the club, according to his record of wins and losses. The top four members are chosen before each match to play in the inter-school competition.

In their first match the team lost to a skillful Mariemont opposition. They next beat King's Mills, but in their second encounter with King's Mills they lost. They look forward to a larger and more active club next year.

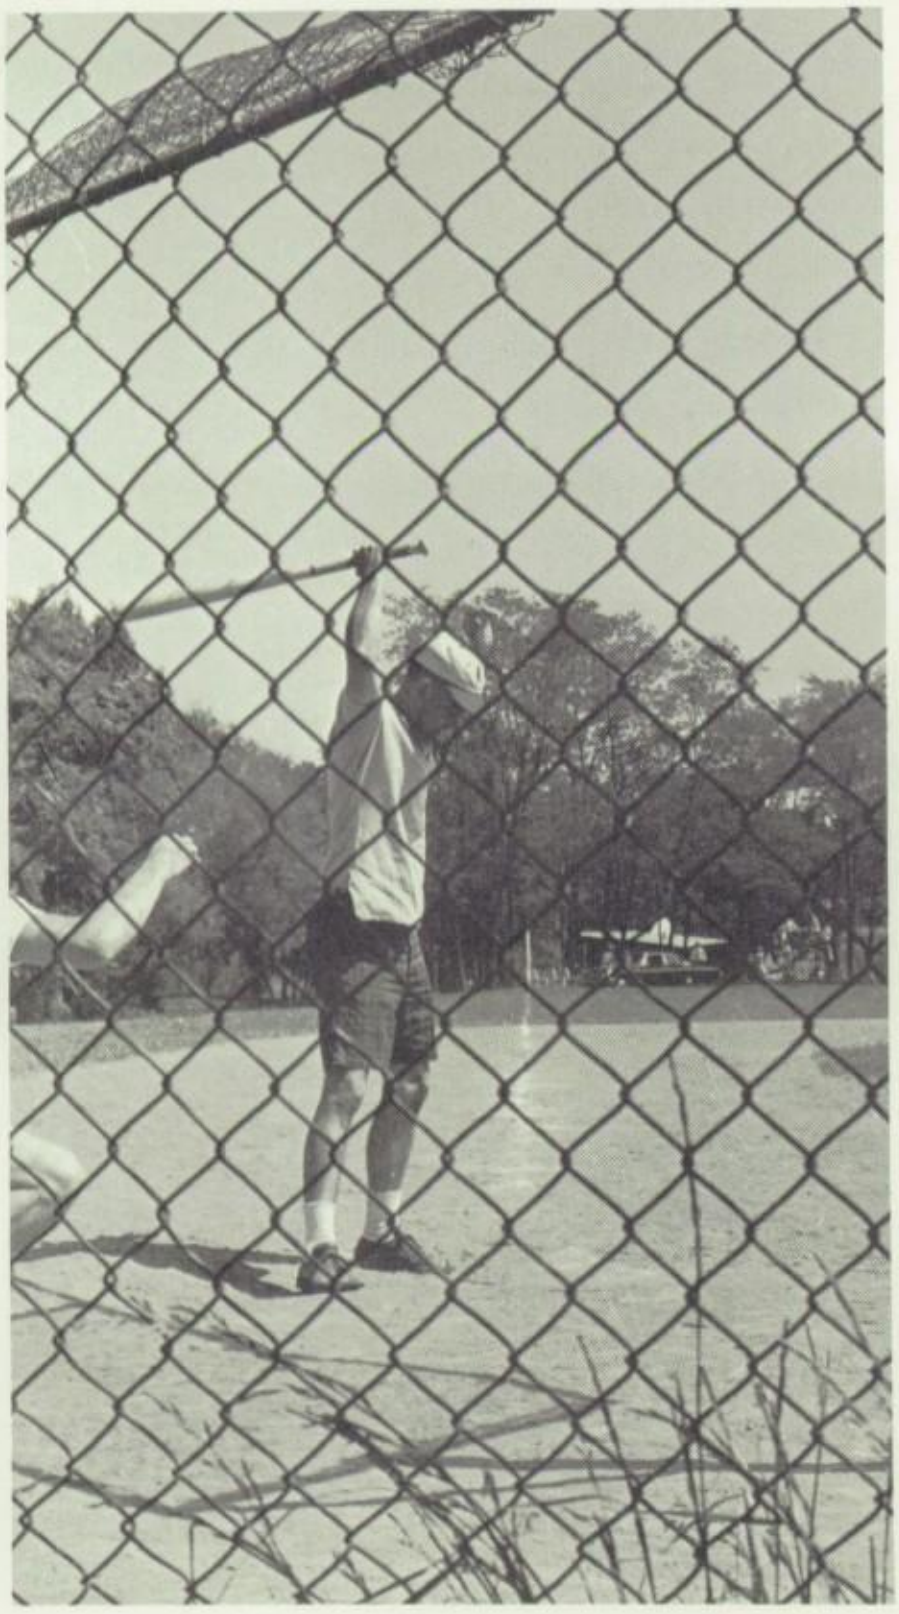
The Rifle Club is another team which boasts of being undefeated in the 1963-1964 season. Trained and sponsored by Captain Dieckmeyer of the Indian Hill Rangers, they have won fifteen matches. Each League match consists of tournaments with five other schools, so the Rifle team has actually won seventy-five times.



Ingredients of Stimulation

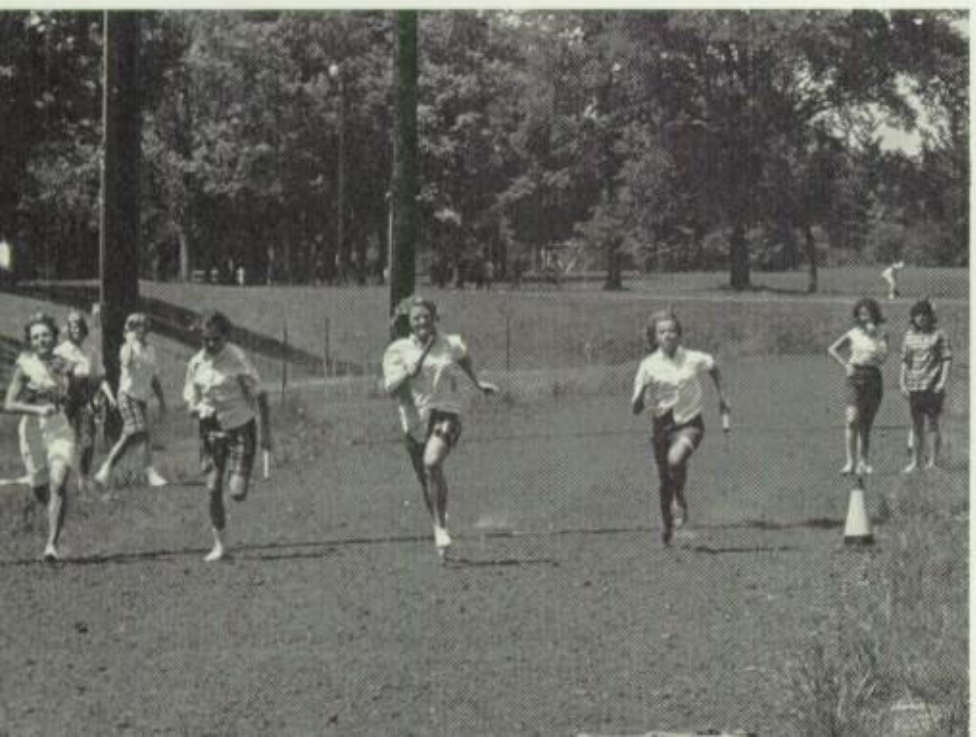
Mr. Denton takes a swing at the ball.

With a hop and a jump the contestants in the sack race are off.



The other girls have a rough time keeping up with Diane Torrens in the first leg of the 880-yard relay.

Olympic Day

Bermuda day was celebrated once again this year. After wearing bermudas to morning classes, the entire student body and faculty hiked along Drake Road to the football field, holding up traffic for several minutes. The day's events included relay races, sack races, a three-legged race, a pie eating contest, and an egg toss. These events were followed by a senior-faculty baseball game. The highlight of the afternoon was the exciting tug-of-war between the various classes during which the victorious juniors managed to survive the struggle and dunk several boys from all other classes in the lake. The victory for the entire day also went to the juniors.

The sophomores try to beat the juniors.

Hold steady girls!

The final score announced that the juniors had won first place.

Pow Wow

Under the leadership of Mr. Snapp, Mr. Kincaid, and Mrs. Moran, one of Indian Hill's oldest traditions was presented on April 23,24, and 25 in the Drake Road Auditorium. "On With the Show" was a return to the Pow Wow format of the past, for it was a variety show tied together with skits. A minstral show, vaudeville acts, and a hootenanny gave the show both the new and the old. Few will forget the outstanding performances of such persons as Charlotte DeCroes, Drew Scallan, Ed Sfeiner, Chuck Knight, and Connie Carroll. As always, the show presented a pretty precision chorus, professional-sounding music, and colorful costumes. Combining fun and fellowship with cooperation and excellence, the Pow Wow has become a refreshing and cherished memory for all Indian Hillers.

Laura insists, "No, no a thousand times no."

With our school days coming to their close, we pause to look back upon the friends and the happiness we have had. Our last year has been one filled with many experiences which we shall never forget. The joys, the sorrows, the fun and the hard work—these are all parts of our memories. In the 1964 **Legend** we have tried to preserve for you through pictures these wonderful memories of Indian Hill High School.

Many people who would not otherwise be recognized have helped me a great deal. Mr. Denton gave me the encouragement to go on. Mr. Pat McKenrick and Rob Paris Studio have faithfully supplied us with photographs. The suggestions and revisions of Mr. Carl Vorpe, our Amerian Yearbook Representative, have been of great value to me and my staff.

However, most of all, I thank you the students of Indian Hill High School who have given me the privilege to present the 1964 **Legend.** I hope that you have enjoyed every single page of the 1964 **Legend** of which I think is one of the greatest yearbooks ever. May it be something for you to keep throughout life—that is my hope.

CAROL SCHUTTE
Editor of the 1964 **Legend**
